David Thompson/Thomson? (at Min of Labour
- Watford)
Mike Eldridge
Charlie Carriven
Dave Margetts
Dick Alison
Dave Busk
Jack Robinson (Jumping Jack)
Winnie – who used to hand-wire the cores.
Barry Male also mentions a Nick Meyer, a
fellow of French extraction, who worked for
him on Support on 1100s in West London.
There was also a Bill Blumsum and someone
called Gunn (I seem to remember him as
Brian).
There was also a Geoff Elwell who was at
Copenacre after George Halse left.

Do any of these ring bells with you?
